

# Three Questions Project

- Basic Idea:
  - Weekly email questions from high school classes (2-3 per class?)
  - ❖ Assign questions among participants
  - ❖ Meet to discuss before returning final answers
- Start with Pilot:
  - ❖ One high school
  - ❖ Smaller group (need at least 7 people)
  - ❖ Weekly/biweekly?
  - ❖ Ideas/suggestions welcome!

# YPP Outreach Ideas

- ❑ Cloud Chamber (A. Soffer)
    - Build cloud chamber
    - Demos/experiments at local high schools
  - ❑ 3Q Project
  - ❑ Both require coordination w/high schools/teachers
- Cloud chamber more initial overhead (design building)
  - 3Q low-level long term commitment
  - Projects potentially complementary
