

Outreach @ Snowmass YPF

<http://snowmass.phyast.pitt.edu/>

- **Before Snowmass:**
 - Steering committee surveyed existing HEP outreach efforts at labs & universities, and got some info about NASA outreach
 - Wrote working document
- **At Snowmass:**
 - Recruited more people, discussed preparation for the town meeting & forum nights
 - ~40 minutes discussion and survey at town meeting
 - Forum talks (http://vmsstreamer1.fnal.gov/VMS_Site_02/Lectures/Snowmass2001/717YPF/index.htm)
 - Current situation: Existing programs, funding, comparison to NASA
 - Town meeting: Outreach is our obligation, critical for future of field, want to do more
 - Plans for the future: Expand outreach, network of YP's to support activities
